President's Newsletter Report – May 2021

As this term as President draws to a close, I would like to reflect on the selfless efforts of those who keep our Society moving forward. They include members of our Committee and also non-committee members who toil away at functions and in the kitchen and bar, so that we can cover our bills and move forward – which we have been doing successfully thanks to all of these people. Without this small but hard-working group of volunteers and contributors, our Society would undoubtedly be in decline. So, I personally would like to thank all of you for all your hard work and sacrifice and you should be proud in the fact that the great legacy that we have been entrusted with will continue thriving – hopefully for many future generations to come.

I would like to convey our Society's heartfelt thanks to The Trusts Charitable Foundation and their support of our cultural and community development over this past year. Without their support, the Society and our wider community would be poorer in many ways, so on behalf of all of our members I thank you wholeheartedly.

As you are all aware, a devastating earthquake struck Croatia on 29 December at 12:19 local time. Due to the kindness and generosity of many members and friends of the society, I am pleased to inform you that we raised \$38,000.00.

Due to our generosity, in the village of Sibić a symbol of a cross for Croatians from New Zealand was set up as a sign of humanity and thanks for the help provided after the earthquake. Thank you to everyone involved in this project. We are all eternally grateful.

I am pleased to confirm that the front yard has been leased. We have 2 new tenants each paying \$35,000 + gst plus outgoings, they are, Point Construction Group and NZ Tree Tops. Each have signed on for 3 years. Thank you to Anthony Arnerich and Niksha Farac for all their help and also thank you to Len Stulich for coordinating everything with the clients and the lawyers. We also have an opportunity to lease another 1000 square meters to Connolly Contractors Ltd for a three year term for \$35,000 + gst + outgoings. This will be tabled at the upcoming AGM.

Over the years, Sundays have been a busy day at the club where our regular members meet to play cards, buče, and mingle together. There have been many requests to ensure that Sundays remain a popular day for our members all year round, one of which has been to cover the buče area to protect it against the extreme sun in summer and wet conditions in winter. The committee have discussed this at length and feel that it is a well-deserved project and will table this at the upcoming AGM.

Once again I would like to thank all of our committee members and members alike who have given selflessly of themselves this year in order to make this a better Society. They have set a great example and I hope that we can continue and have other members stand up and pick up the baton to keep our great Society going strong into the future.

We will be celebrating Dan Državnosti (Statehood Day or National Day) here on Saturday 12th June, where we will have a full programme by Kralj Tomislav, so please make an effort to come along to this important function.

Goran Katich
President
