Kralj Tomislav Performing at Croatian National Night

President's Report – July 2021

I hope all our members are keeping safe and well. Firstly, I would like to welcome Olivia Panzić as our new Secretary and on behalf of all members I would like to express gratitude to Katica for all her hard work over the last 10 years.

Even though winter is upon us and things are a little quiet at the club, on Saturday 12th June, we celebrated Dan Državnosti, also known as our Statehood Day, it was lovely to see the club rooms so full. This occasion symbolises for us the struggle against repression and the sacrifices that were made to achieve freedom and democracy for our people.

I had a lot of positive feedback from our special guests and members attending on the night. A lot of work went on behind the scenes – Thank you to Victor & Bozenka Mrkusich for all the running around and shopping as well as preparing and cooking along with Luka Farac, Frano Nola and Darko Jelavich who also helped us during President Kolinda's visit in 2017. Thank you to Mate Miocevič and Allan Sumich for their help with cutting up the lambs and also thank you to the ladies helping with all the preparations in the kitchen - Milka Selak, Tracy Sumich, Anka Bulog and Patricia Jerkovich. Thank you to the youngsters clearing tables, the mothers who helped with serving the children's dinner and all the ladies who contributed their delicious baking. Nada, Sanja and Katica did a great job in setting up and decorating the hall. Thank you to Antony Arnerich and Len Stulich for spending most of the night working behind the bar. If I have left someone out, I apologise but please accept my sincere thanks and gratitude for your help.

As per usual Goran and Sanja Kačurov did not disappoint and delivered along with Kralj Tomislav, The Shades and our Orchestra a wonderful programme. As I have said so many times before, Goran Kačurov is a jewel in the Society's crown. He has brought so many of our cultural treasures to life through our young people and he has helped to unify both our young and old through culture and music. This has ultimately enriched all of us and our wider community. He continues to impress us with his video footage and is systematically archiving our history for us. On that note, I would like to thank Mate Vlasić for providing us with the historical video footage and Zlata Ozanić and Leo Panzić for their assistance in translating text for the video programme. Also a vital thank you goes to Goran Kačurov & Paul Sumich for the video production.

I am pleased to inform you that The Trusts Community Foundation has approved a grant of \$45,000.00 for Goran Kačurov's salary. The support that is given to us has been a key factor in enabling us to build and foster a range of cultural, social and sporting relationships in our wider community, which we believe ultimately enriches us all. Once again thank you to the Trust for their generous support.

I am pleased to also inform our members that our first two commercial tenants are in and their first lease payments are now being paid.

The third commercial tenant is almost in and will be paying their first lease payment at the end of August. In total, these three new tenants will be paying \$10,350 incl. GST per month.

Thank you,
Goran Katic
